

RIVER HILLS HARVEST

Premium American Elderberry Products & Plants
Wholesale Prices

Farmer Grown & Farmer Owned

River Hills Harvest American elderberry products are all grown and made here in the USA. Our Premium Elderberry Juice has zero added water, sugar or alcohol and is not-from-concentrate. It's sweetened version, American Elderberry Cordial has hints of cinnamon, clove and honey. We would recommend taking a few tablespoons daily. We use only elderberries native to the USA and are able to maintain a minimal heat process on them, keeping all the good stuff! You can rest assured your purchase will directly support American farmers and businesses.

We are farmers, makers and lovers of life and health...
